CLIENTS ABOUT US

Corrections and fixes to website 10/17

Member: [Innokentiy K.](#)

★★★★★ 5.00 October 2017 - December 2018

I was very satisfied with the work they provided. They sometimes take holidays of several days or a week, so that is something to understand when you hire them. I have always found them to be courteous and reliable and am grateful for their help on many occasions.

Expert PHP API Developer with Enterprise Integration Experience

Member: [Evgeny P.](#)

★★★★★ 5.00 June 2018 - February 2019

Very proficient and clean work. I'm impressed with the stamina you have to understand our complicated business requirements. Thank you for your hard work and dedication to this project.
