## testimonials

### I WOULD LIKE TO HIGHLY RECOMMEND TI TECHNOLOGIES FOR THEIR MAGENTO EXPERTISE

knowledge and overall professionalism. Job was completed in super quick time. All parts of our specification and expectations were met. Communication was first class and minor issues were fixed instantly. We will be sure to hire again and I look forwards to our next project!

- ICLOTHING IRELAND

iCLOTHING

### WE'VE WORKED WITH THEM FOR OVER 3 YEARS

and the level of support we have received has been phenomenal. In the rare case of having problems with our website, we've experienced top notch can do attitude from them and we've quickly resumed normal operation. We have been particularly happy with the active and professional development team that has offered us valuable insight in setting up our new Magento website. I would warmly recommend them.

- SAMI ASIKAINEN

Ada & Ina

*Ada & Ina*

I am extremely satisfied. they went above and beyond my expectation and I couldn't be any happier. They are a unique special talented programmers who are very knowledgeable, talented and very detail oriented. I would consider them as top 1% on opensource programmers.
